Further, if client grants tenancy to the consumer and in the ordinary course of its business it furnishes information to the credit bureau from which the report came, that it will advise the credit bureau of the address it has verified as accurate if that address is different from the one provided by the credit bureau.

3. Compliance with Applicable Law

A. The laws relating to the furnishing and use of information are subject to change. It is the responsibility of Client and DS to become knowledgeable in such laws and to comply with them. The failure to comply with the then current applicable law may result in a breach of this agreement, termination of service, civil and criminal liability. DS does not undertake any obligation to advise Client of its legal obligations. Client acknowledges receipt of the Notice to Users created by the Federal Trade Commission.

B. DS does not act as legal counsel for Client. Client is responsible for retaining counsel to advise it regarding proper use of consumer reports; compliance with the FCRA, the Driver Privacy Protection Act, 18 U.S.C. §2721 et seq ("DPPA") and other applicable federal, state and local laws; and development of an appropriate screening program for Client's use of consumer reports.

C. Client agrees to promptly execute and return to DS all documentation required, now or in the future, by any government agency or DS to permit release of information or to ensure compliance with applicable laws or regulations. Such documentation shall become part of this agreement. The failure to return such documentation will result in Client being blocked from receiving the information related to the documentation, and, in some circumstances, all service may be terminated without additional notice.

D. Client consents to any reasonable request by DS to audit records of the Client and to communicate with employees of the Client, with notice to Client, to determine the appropriateness of any present or past request(s) for information by Client.

4. Fees for Services

Applicable sales or other taxes will be added to all fees. Client understands that DS may incur access charges imposed by courts and other governmental agencies which are passed along to Client in addition to fees. These costs are subject to change without notice.

B. DS will bill Client monthly. Payment on all invoices will be due fifteen (15) days after billing. For any invoice not paid within fifteen (15) days, DS will add and collect a SERVICE CHARGE of one and a half percent (1½%) per month (or the maximum permitted by applicable law, if lower) with a minimum service charge of \$2.50. Client agrees to pay DS's reasonable attorney's fees and costs incurred in enforcing the terms of this Agreement and in the collection of amounts due under this Agreement.

Client shall supply to DS the name and phone number of the contact person or persons with whom DS may discuss the contents of reports furnished to Client. At the time that Client disposes of any report received it shall cause such to be destroyed by shredding or burning as required by regulations issued by the Federal Trade Commission.

B. Client acknowledges that it will receive personal identifying information on the subjects of the reports it receives. Client shall maintain reasonable procedures to protect the information from unauthorized internal or external access. Client shall, upon request, advise us of the status of Client's security measures. If Client experiences a breach of security regarding this information or discontinues any security measure, Client shall notify us within 24 business hours of the breach or discontinuance. Within seven (7) business days of such an event, Client shall advise us what steps have been taken to protect the information from the reoccurrence of the breach or to restore protection of the information.

6. Waiver and Release

A. Client acknowledges that DS relies totally on the information furnished by others. DS also relies on the information contained in the records of various governmental agencies for other reports. DS is not responsible for inaccurate or false information. Client agrees to assert no claim and waives liability against DS for any inaccurate or false information included in any report unless DS had actual knowledge of the error and failed to correct it if it had the legal ability to alter such information.

B. Client agrees to hold DS harmless and will indemnify DS from all claims and losses resulting from Client's breach of this Agreement or violation of any applicable law. DS agrees to hold Client harmless for all claims and losses arising from DS violation of any applicable law. Such indemnifications include all costs and reasonable attorney fees incurred by the indemnified party.

C. If the party seeking indemnification proposes to settle any claim it believes is subject to indemnification, it must notify the indemnifying party of such settlement and the indemnifying party must approve such settlement. Such approval shall not be unreasonably withheld. The indemnifying party can also disapprove of such settlement on the basis that the claim is not within those claims or losses covered by the indemnification. If the indemnifying party accepts the request to indemnify, but disagrees with the settlement amount, the indemnifying party shall take over the defense of the claim.

7. Misuse of Information

The FCRA prohibits the obtaining of information from a consumer reporting agency for an impermissible purpose. Further, those involved in such improper requesting may be subject to criminal penalties of imprisonment up to one year and/or a fine of \$5,000 for each offense. 15 U.S.C. § 1681q. If a Client or one of its employees misrepresents to DS the reason for a report or requests a report for an impermissible purpose, DS may terminate service without notice in addition to other remedies available to DS. Client understands that its misuse of or improper request for information may have a direct impact upon DS and may cause it to be unable to obtain information for any of its clients resulting in substantial damages for which Client would be liable.

8. Termination of Agreement

A. Client may terminate this Agreement at any time upon written notice to DS. Client will remain liable for all charges made to its account prior to termination and will promptly pay all sums due on termination.

B. DS may terminate this agreement by providing a sixty (60) day written notice but upon the occurrence of the following events, DS may, immediately and without notice terminate this Agreement:

- (i) Default in payment of charges for DS ;

- (v) A material breach of this Agreement or violation of any law or regulation governing the request, use or release of the information in the reports by Client.
- (vi) Unauthorized release of information in a consumer report to a third party or the reselling of any report.

9. Notice of Change in Client's Business

Client shall immediately notify DS of any of the following events: change in ownership of the Client (over 50%); a merger, change in name or change in the nature of Client's business that in any way affects Client's right to request and receive consumer reports.

10. Miscellaneous Provisions

A. This Agreement constitutes the entire understanding between the parties and supersedes all previous agreements, negotiations and representations. This Agreement may only be modified in writing signed by both parties; however, subsequent representations by Client to show compliance with existing or future laws are effective when signed by Client and become a part of this Agreement. This Agreement is for the exclusive benefit of the parties hereto and no benefit is intended for any third party.

B. All communications and notices to be given under this Agreement will be made to the addresses and telephone numbers set forth herein. Each party will notify the other promptly of any change of address or telephone number.

C. This Agreement is intended to be subject to, and in compliance with, all applicable state and federal statutes and regulations. Further, the invalidity of any one provision shall not affect the validity of the other provisions.

D. This Agreement is deemed to have become effective and to have been entered into upon its acceptance in the State of New Jersey by DS. Therefore, this Agreement will be interpreted and enforced in accordance with the laws of the State of New Jersey without reference to its conflict of laws provisions.

1. Permissible Purpose. Please check the permissible purpose which Client will request credit reports:

_____ Employment. Client understands that the use of credit reports for employment purposes is restricted by some state or local laws. Client agrees to undertake the responsibility to advise itself as to such restrictions and use credit reports in a way to comply with such statutes and ordinances. OR

_____ Tenant Screening.

2. Client’s identity and permissible purpose have been established previously during DS’s verification process. The nature of client’s business is: _____. Client certifies that there has been no change in the ownership or business activity that would affect its permissible purpose to receive reports.

3. Client, if not a publically held company, agrees that an on-sight inspection of its business must be satisfactorily completed before it can receive credit reports.

4. Client agrees to cooperate with the inspectors. If there are any problems with the inspectors, Client shall contact DS immediately.

5. Client agrees not to resell or further distribute by any means, any credit report or part thereof received, and certifies that it is the end user of the credit report for a one time use. If client wishes to share a credit report with a third party which has a joint use of the information in the specific transaction for which client requested the report, it shall notify DS before such sharing and DS shall verify the identity and permissible purpose and have an on-sight inspection conducted of that third party. Client shall be billed for such verification services. Any report received will only be shared or disclosed to employees who have a reason to know the information disclosed. Client’s employees shall be instructed not to obtain reports on themselves, co-workers, associates or any third person.

6.3 Client certifies that it will not request a Consumer Report for Employment Purposes unless:

6.3.1 A clear and conspicuous disclosure is first made in writing to the consumer by Client before the report is obtained, in a document that consists solely of the disclosure that a consumer report may be obtained for employment purposes.

6.3.2 The consumer has authorized in writing the procurement of the report; and

6.3.3 Information from the Consumer Report for Employment Purposes will not be used in violation of any applicable federal or state equal employment opportunity law or regulation.

6.4 Client further certifies that before taking adverse action in whole or in part based on the Consumer Report for Employment Purposes, it will provide the consumer with:

6.4.1 A copy of the Consumer Report for Employment Purposes; and

Safeguarding PII Checklist

In this information age, we have to be aware of the potential of unauthorized attempts to obtain personal identifying information (“PII”) from any and all sources. The Federal Trade Commission emphasizes that companies like ours and our customers must be alert to this danger and take reasonable steps to safeguard PII. To meet our obligations, enclosed is a short questionnaire regarding your policies and procedures regarding the safeguarding of PII that we have provided to you. Information technology security is a complicated subject and our questionnaire is intended to address the features involved in an information security program that our customers should have in place. We encourage you to engage the appropriate experts to advise you in regard to creating and implementing a comprehensive information security program. We are not experts in this area, and we are not in the business of creating and monitoring such policies and systems, but we need some assurance from you that a reasonable level of protection is in place.

Dishonest people cannot only hack computer systems, but obtain PII left in trash bins, on desks, view PII when left on a monitor screen, etc. Every employee must be sensitive to these issues. If the PII was yours, you would want it protected.

In addition to the attached questionnaire, you will be requested to update us each year and immediately if you have a security breach. We will provide to you the form for the annual review. We believe that you will agree that the questionnaire contains common sense points regarding the protection of personal information.

If you have any questions, please contact: DataScreening at 800-247-2365. Thank you for your cooperation.
